A LIVING LEGACY

Joining the Mighty Eighth Air Force Museum takes a special kind of vision. Members commit to the values that filled the air January 28, 1942—when, on the wings of history, the Eighth Air Force was launched to become the greatest air armada of all time. Fifty-four years later, in 1996, those same values opened the doors on this great Museum: Courage, Character, Patriotism.

If you are passionate about America, if you believe that preserving traditions, loyalty, democracy, and freedom are more important than ever, and if you appreciate the sacrifice of the men and women who continue to defend our freedom today, then you need to be on the Mighty Eighth's loading list.

Artist Gil Cohen's "Crewman" represents all the warriors of the Mighty Eighth, every man doing what needed to be done.

HONORING THE PAST... PRESERVING THE LEGACY

The Mighty Eighth Air Force Museum preserves for all Americans the stories of courage, character, and patriotism displayed by the men and women of the Eighth Air Force from World War II to the present. The Museum treasures and teaches these values for the nation's future generations.

The Mighty Eighth Air Force Museum's vision is to sustain our cultural heritage, support lifelong character education, and be the center of community engagement.

Focusing on individuals and their stories best fulfills the mission and vision. The courage, service, discipline, and sacrifice found in these stories are critical to the development of education of today's youth. Your membership makes you part of that patriotic and much needed mission.

The Museum is a 501(c)(3) non-profit organization. We receive no government funds. **Contributions are tax deductible and there are several ways to make your contribution.** See your choices at right.
