## **Grand Opening of International Aerospace Art Exhibition**

(Pooler, GA) The Grand Opening of the International Aerospace Art Exhibition is Wednesday, June 24, 2009 in the Colonial Group Inc., Art Gallery at the Mighty Eighth Air Force Museum. This exhibition is presented by the American Society of Aviation Artists and the Mighty Eighth Air Force Museum.

This juried exhibition features over 50 paintings by artists from around the world who specialize in aerospace subjects. Aerospace art upholds the rich tradition of narrative art through a commitment to historical accuracy as well as a technical mastery of the medium. Many aerospace artists also take this genre into new directions with work that is fanciful and abstract. This exhibit will be on display in the Colonial Group Inc., Art Gallery through January 3, 2010.

Activated in 1942 in Savannah, GA the Eighth Air Force was a critical strike element in World War II and remains an active force today. The Mighty Eighth Air Force Museum honors the Mighty Eighth's proud legacy by preserving the stories of courage, character and patriotism displayed by the men and women of the Eighth Air Force from World War II to the present.

The Mighty Eighth Air Force Museum is open daily from 9AM until 5PM except New Year's Day, Easter, Thanksgiving, and Christmas. The Museum is located just minutes from downtown Savannah in Pooler at 175 Bourne Avenue off I-95, exit 102.
