Looking Back, Moving Forward

National Museum of the Mighty Eighth Air Force

The young men of the Eighth Air Force were tasked with the mission of destroying the German war machine from the sky despite the dangers they faced each time they climbed in their aircraft. Now the National Museum of the Mighty Eighth Air Force is tasked with preserving and sharing the stories of these heroes.

You can be part of this mission by sponsoring the **2026 Legacy Ball: Honoring 30 Years, Inspiring Tomorrow**. Your support helps the Mighty Eighth showcase its growing collection, develop new exhibits, and introduce more educational programs for children.

Please help us continue our vision to sustain the cultural heritage, support lifelong character education, and to be a global, national and community center for veterans, their families, school children, business leaders, historians and all people who care about freedom and democracy.
